

2nd NATIONAL WORKSHOP ON QUANTUM MATHEMATICS AND BIOMEDICAL IMAGING FOR INTELLIGENT HEALTHCARE 5.0

QMI 2026 PRESENTS

Fun Activity

Who Am I?

*Think
Connect.
Guess.*

Can You Identify the Scientist?

A fun and thought-provoking game where teams interpret a set of clues and uncover the identity of renowned scientists and their contributions to the world.

Day 1
12/10/2026
(Monday)

Time
4:30 p.m

Venue
VIT Chennai

Participants
(Team based activity)

EVENT FLOW (TWO ROUNDS)

1

RAPID FIRE ROUND

- QUICK QUESTIONS BASED ON CLUES.
- IDENTIFY THE SCIENTIST'S NAME.
- MULTIPLE QUESTIONS IN A SHORT TIME.
- POINTS FOR ACCURACY AND SPEED.

2

FINDING NAME FROM FIGURES

- IMAGES/VISUAL HINTS WILL BE SHOWN.
- CLUES WILL BE GIVEN FOR EACH.
- TEAMS DISCUSS AND IDENTIFY THE SCIENTIST.
- POINTS BASED ON CORRECT ANSWERS.

POINTS & STRATEGY

Each Question Has a Fixed Point Value
Some are quick wins, some are real brain-teasers!

Use Your 3 Chances Wisely
Discuss, deliberate, and decide as a team

To celebrate the scientists whose ideas shaped our world while sharpening observation, reasoning and recall through clue-based challenges, and encouraging teamwork and quick thinking in a fun, competitive setting.

Workshop Co-ordinators

Dr. N. Ramesh Babu
Dr. S. Lakshmanan
Dr. N. Padmaja
Dr. R. Sriraman

Event Co-ordinators

Ms. Sivaranjani
Ms. Haripriya
Ms. Shruthika
Mr. Purushothaman

2nd NATIONAL WORKSHOP ON
QUANTUM MATHEMATICS AND BIOMEDICAL IMAGING FOR INTELLIGENT HEALTHCARE 5.0
QMI 2026 PRESENTS

Visual Puzzle Game

Image Detective

Look Closer. Solve Smarter.

Can You Decode What You See?

A fun and thought-provoking picture connection game where teams interpret a set of images and uncover the hidden word or concept. The clues are visual, the connections are creative, and the challenge is real!

Observe. Connect. Decipher. Win!

Points & Strategy

Each Question Has a Fixed Point Value

Some are quick wins, some are real brain-teasers!

Use Your 3 Chances Wisely

Discuss, deliberate, and decide as a team.

Missed It? It Moves On!

If your team can't answer, the chance goes to the next team.

Next Team Gets Half Points

If the next team answers correctly, they earn 50% of the original points.

Stay Sharp!

Listen to other teams — it might just spark your next big connection!

*Think
Fast
Think
Together!*

Workshop Co-ordinators

Dr. N. Ramesh Babu

Dr. S. Lakshmanan

Dr. N. Padmaja

Dr. R. Sriraman

Event Organizers

Mr. M. Monnishkaran

Mr. N. Ayyappan

Ms. V. Abiraami

Mr. A. Hari Prasath

*"Same Clues.
Different Minds.
Brighter Answers!"*

2nd NATIONAL WORKSHOP ON
QUANTUM MATHEMATICS AND BIOMEDICAL IMAGING FOR INTELLIGENT HEALTHCARE 5.0
QMI 2026 PRESENTS

Intellectual Challenge

HUMAN vs AI CHALLENGE

Different Minds, Brighter Possibilities.

ABOUT THE ACTIVITY

Human vs AI Challenge is an interactive activity where teams compare human thinking with AI through time-limited tasks, focusing on logic, creativity, accuracy, and reasoning.

*Think
Compare
Explore
Beyond Limits*

CHALLENGE OBJECTIVES

Compare human reasoning with AI-generated solutions.

Evaluate AI outputs for logical correctness and context.

Explore how human and AI capabilities complement each other.

Encourage critical thinking, creativity, and teamwork.

Event Organizers

Dr. N. Ramesh Babu
(Convener)

Dr. S. Lakshmanan
(Co-convener)

Dr. N. Padmaja
(Co-convener)

Dr. R. Sriraman
(Co-convener)

Workshop Coordinators

Ms. S. Revathy

Ms. K. Hemalatha

Ms. I. Vasanthi

DATE: 13/10/2026
VENUE: ACADEMIC BLOCK 3

*"Human Curiosity Meets Artificial Intelligence
for a Smarter Tomorrow."*

2ND NATIONAL WORKSHOP ON
QUANTUM MATHEMATICS AND BIOMEDICAL
IMAGING FOR INTELLIGENT HEALTHCARE 5.0
PRESENTS

QUANTUM ON TRIAL

ETHICS COURTROOM

SCIENCE MEETS SOCIETY
IDEAS FACE JUDGEMENT

Day 4
15 October 2026
(Thursday)

Time
4:00 p.m. – 4:30 p.m.

Venue
VIT Chennai

Teams
10 Teams

THE CHALLENGE

When quantum technology enters healthcare, innovation meets uncertainty. Participants will be given a real-world healthcare dilemma and asked to examine the evidence, question assumptions, and defend their position.

YOUR ROLE

Investigate. Question. Debate. Decide.

Work as a team to analyse scientific evidence, consider ethical and societal implications, challenge opposing arguments, and arrive at a defensible decision with supporting points.

THE VERDICT

Each team must decide and justify one of the following:

APPROVE
Proceed with
implementation

**APPROVE WITH
CONDITIONS**
Proceed with safeguards

**DELAY UNTIL
FURTHER EVIDENCE**
Need more evidence

REJECT
Do not proceed

OBJECTIVES OF THE ACTIVITY

- Promote ethical and responsible use of quantum technologies in healthcare.
- Encourage interdisciplinary collaboration and systems thinking.
- Create awareness about the societal, legal and clinical implications of emerging technologies.

KEY TAKEAWAYS

Critical Thinking

Teamwork

Ethical Reasoning

Evidence Analysis

Negotiation

Communication

WORKSHOP ORGANISERS

 Dr. N. Ramesh Babu
 Dr. N. Padmaja

 Dr. S. Lakshmanan
 Dr. R. Sriraman

ACTIVITY COORDINATORS

 Mr. K. Gowtham
 Ms. C. Nathimalar

 Mr. M. Sureshkumar
